RHODE ISLAND TAX COLLECTORS' ASSOCIATION MEETING

TOPIC: Legal Issues Concerning Tax Collections & Finding People Who Have Disappeared

Bob Rossi will be addressing legal issues concerning collection. If you are having trouble collecting past due receivables due to non payment or lost contact with tax payer, this program is for you. In addition there will be people in attendance that have first hand experience in tracking down people who have "disappeared". Come hear about the many strategies and legal limits involved in collection of taxes that are being used. In addition, we will be getting an update on the new RIDMV computer, where they are and what we can expect in the coming year.
