

# RHODE ISLAND TAX COLLECTORS' ASSOCIATION

## MEETING

**TOPIC:** CASS Certification (Coding Accuracy Support System): A service offered to mailers, service bureaus, and software vendors that improves the accuracy of delivery point barcodes, ZIP+4 codes, 5-digit ZIP Codes, and carrier route information on mail pieces. CASS provides a common platform to measure the quality of address-matching software, along with useful diagnostics to correct software problems. Save upwards of 10 cents on each piece of mail, insure delivery, decrease delivery time and eliminate return mail.
